

**Manager,
Human Resources Department,**

Dear Sir/Madam,

This letter is to express my interest in discussing the IT position available in your esteemed organization. This opportunity would be appealing as I believe that my educational background will make me a very competitive candidate for this position.

Having a degree of **BS and MS (Computer Science)** - 18 years. I have a comprehensive understanding of the full life cycle of Software Development.

The key strengths that I possess for success in this position include but are not limited to the following:

- A dedicated IT Professional with experience in the full life cycle of System Development as a Software Developer.
- Having experience in Web designing.
- Have successfully developed and customized software.

Development Tools & Technologies:

Skills: Map API, Python, Latex, HTML, CSS.

Software: Android Studio, Photoshop,

In view of my profile, I hope my application would be given benign consideration.

Sincerely,

Aqsa Ghani
